OF ALL NATIONS

THEREFORE, GO AND MAKE **DISCIPLES** OF ALL THE NATIONS...

We live in an unprecedented time of opportunity. In the last hundred years, with the exception of Western Europe, the Church has been growing hugely all around the world - in fact there are more Christians alive today than have ever died! The big question is this: will those converts go on to become fruitful disciples? Or will they keep drinking milk long after they should be on spiritual meat?

Steve and Zoë Goss have a passion for equipping the Church to make real, fruitful disciples who are making an impact. Well over 300,000 people have been through the Freedom In Christ Course which was written by Steve based on the principles developed by Dr. Neil Anderson. It has now been translated into over 30 languages with more in progress. Under Steve's leadership, Freedom In Christ Ministries has gone from operating in seven countries to operating in nearly 40,

Do you share our vision to see converts become fruitful disciples? Our aim is to cover Steve's financial support and international travel costs from a team of supporters so that all other funds raised can go to support the expansion of the ministry around the world. **Will you become part of Steve and Zoë's personal support team?** See the back cover for how to join.

STEVE SAYS:

“Jesus said, ‘I will build my church,’ and He has been doing just that ever since. About a million people turn to Christ every week.

But whether they become fruitful disciples is a matter of knowing who they are in Christ, understanding how to win the spiritual battle, and being transformed through the renewal of their mind.

Through Neil Anderson, God has blessed FICM with the tools to help them do just that and I'm incredibly excited about seeing them go out into ‘all the nations’ (just 150 or so more to go now!).

As I ‘equip disciples to make disciples’, my top priorities are:

1. Identify and equip the right people to lead FICM in new countries.
2. Encourage and support our existing national directors and representatives.
3. Spearhead the development, translation, and distribution of new discipleship resources for churches.

We keep in regular touch with our supporters. If you join the team, we look forward to keeping you right up to date with what's happening.”

The picture above is of a training event in Korea for leaders of the Chinese underground church who absolutely loved FIC and were amazed to learn of their identity in Christ.

Iran is seeing a great revival but Christians are being imprisoned and killed. The FIC Course is now in Farsi and pastors are being trained over the border in Turkey.

Africa has seen huge revival but desperately needs good discipleship resources. We now have six countries on board with another five in progress.

YES!

I want to become part of the team.
